

WHY DO SOMETHING AND WHY DO IT NOW

IT'S EASY TO DO NOTHING, BUT DOING NOTHING COMES AT A COST

WRONG INVENTORY

You'll end up with too little of the right stuff, and too much of the wrong stuff.

EXCESS TIME SPENT

You'll waste more time counting and re-planning when the system could do it all for you.

MORE WORK TO DO

You'll spend extra effort managing serial numbers, shelf life, etc.

OR

CLEAR SPIDER'S INVENTORY MANAGEMENT SOLUTIONS CAN HELP

MINIMIZE SPENDING

Having the right product reduces the cost of insurance, warehousing, carrying charges, etc. which makes up 20-30% of the cost of inventory.

IMPROVE SERVICE

Happier customers equal better business.

SAVE TIME

When both parties have access to important information like serial/lot numbers and the ability to track the ins and outs you save yourself time.

UNDERSTAND METRICS

Use metrics to measure performance so you can make decisions that'll have a positive impact to your business.

COLLABORATE WITH CLIENTS

Allow your customers and suppliers to quickly obtain the information they need, with a self served approach.
